Lead Practitioner of Maths

Join a thriving school rated 'Good' by Ofsted – Inspire Excellence in Maths!

New Mills School is a small 11-16 secondary school in the High Peak, close to the stunning Peak District National Park, yet within easy reach of Stockport and Manchester.

Following a very positive Ofsted report rating us 'Good' in all areas, we are looking for an exceptional Lead Practitioner of Maths to join our team. Ofsted praised our ambitious leadership, high-quality teaching, and strong student attitudes to learning, and we are now seeking an inspirational maths expert to build on this success.

You will find New Mills School a warm, welcoming place, where we are proud of our inclusive ethos, high expectations, and strong sense of community. Our values—**Think Big, Do the Right Thing, and Team Spirit**—underpin everything we do. We believe in the power of education to transform lives and are looking for a lead practitioner who shares this passion.

The Role

This is a unique opportunity for an outstanding teacher of Maths to take a key leadership role, ensuring the highest standards of teaching, learning, and student progress in Maths and across the school.

Our Ideal Candidate Will Be:

- An inspiring teacher of Maths, with a proven track record of securing strong student outcomes.
- A subject expert who can inspire students and support colleagues in refining their practice.
- An enthusiastic and innovative leader, dedicated to improving teaching and learning through coaching, mentoring, and sharing best practices.
- Committed to inclusion and high expectations, building positive relationships with students, parents, and staff.

We Will Guarantee:

- A stimulating, supportive, and friendly working environment, where every staff member is valued.
- High-quality CPD and leadership development, ensuring you continue to grow as an educator.
- A keen Maths team eager to develop their expertise under your leadership.
- Engaging, ambitious students who are keen to learn and succeed.

If you **share our values, have the expertise and vision** to drive excellence in Maths, and want to be part of an enthusiastic and dedicated team, we would love to hear from you.
