Dear Candidate

If you are looking to join a great community school, perfectly located for the city and the country life, then we would love to talk to you.

We have a progressive and forward thinking leadership team that drive the school and its pupils to successful outcomes; preparing young adults for the challenges of tomorrow's world.

We strive to be a school that offers high quality education provision coupled with a positive student experience.

Each of our staff are encouraged to make a difference; we unlock the potential of staff and students alike. We develop aspirational, creative, independent and resilient teachers, support colleagues and learners.

New Mills School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Yours faithfully

Heather Watts
